FEBRUARY 17th SUNDAY

Phil^d - Sultry morning & about 10 o'clock Thunder !!!
like the deafest cannon roar. See B.B. & B.P.
burned fire

See Log-ter & Antelope the two New Edwds
has hired to go to South Australia left for Sum-
caston with 294 tons [from among these lot of
Capt Horson] 8 Homs & the "Polly" Tractor his goat
& "1000" the dog from Lovers

See Mr. Adams & Edw^d were driven to Church & Fro &
M^r Johnson down to dinner

18 Beautiful fine hot day. Putting up Post & Rail
by the River [since that put on Saturday] with Gould &
Hedge M^r Wilkes & M^r Stedford drove down -

Saw M^r Harrison who says it is so dry that on Telle-
cos farm that all the water Holes are dried up, and
is obliged to take his Sheep to the River to drink but
that notwithstanding they fall off very fast

2
Feb 18th
Cont

EDWARD

left for Leamington on his way
to South Australia on "Hickory Jessy" the slave
of Wilks which he takes with him, going like "Walt"
to seek his fortune.

- 19 Most beautiful fine day. Punched putting up
the Post rail with Gould & Hedge. Then rode over
M^{rs} Martin & M^{rs} de Maria walked over to dinner.
M^{rs} B. staid all night. He left for Leam to see F. B.
off taking Dawson with him to the Hospital
[who has been unwell for some time]

Cashmere also left for Leam with 12 boxes Lamb
Wool & a lot of Boxes & Luggage of F. B. &
Consequences of dry weather. Prophanities and crac-
ling knee-buds into snuff.

- 20 Very Warm. Rode to Cam. saw lots of Hares & Snipe.
Dr. Hanchett [who is going to be French Teacher at
M^{rs} C. C. Clarke's] called. Walked round to the Great Hall
with M^{rs} Martin Sara & M^{rs} B. & son.

Consequences of dry weather. A Eve^{ning} with ice & head
sticking in the mud. it must ha' been con-
com-men "dursty". M^{rs} de Maria & M^{rs}
Martins brother called in the evening.

3
Feb 21st Most beaut^{iful} hot day but keeps very - very - dry.
M^{rs} Martins brother came down from M^{rs} Woods
to breakfast & ret^{urned} with his sister on their way
to Cricklands. M^{rs} Davidson called to look at
some Hares but they were - wanting.

- 22 Very Warm. Arthur rode over bringing the Weather
Lamb 214. Shorn. With. F. B. & Gould took the
the Gray Stallion & put him ~~to~~ to a log which
he drew very quietly but it made him sweat a
few "sweats".

- 23 Very very warm. Got the Hares in & M^{rs} David
son came down & looked at them. But with
Gould exercising the Gray Stallion.
M^{rs} Johnson & Lieut. Schine dropped in from the
Hangerroving at dusk & a Wattleby gave us.

- 24 SUNDAY Tremendous Sulfury & Raining.
Telling about rather M^{rs} walked to Church &
staid all night at M^{rs} Johnson's house & returned.
Consequences of dry weather. The Gray [where there is
any] turned white & the Leam from Leam to Leam
dry as well as they. Sheep began to fall off very fast.

Feb 25th Fine & warm after the Rain & a Southerly breeze
Putting up Post & rail with Gould & Hodge by the
River joining the brush fence - saw Hodge
I had the Stallions put & we put in the Plough
He went as quiet as a - Horse - he did so
Well from Hodge's side

Received a letter from Robt. in which Hodge one from
£60 to £50. Bulls at £25 to 30 each. Good Cows
£20. He sold some Horses at £2.5.0. - "Pony"
offer for imported Bore at £4.2.0. - "Horse" at £4.2.0.
Horse at £4.2.0. - "Horse" at £4.2.0. - "Horse" at £4.2.0.
Horse at £4.2.0. - "Horse" at £4.2.0. - "Horse" at £4.2.0.
Horse at £4.2.0. - "Horse" at £4.2.0. - "Horse" at £4.2.0.

96. Very very Warm Finished the piece of Post & rail
by the River began yesterday with Gould & Hodge
& ploughing at about or two with the Stallions
D'Hanchet called having been fined for furious
by riding in the streets of Am! £1.0.0 and
£1.10.0 "expenses"!!!

97. Warm & windy. began to put up some Post & rail
with Plant by the Hns But upwards - The
Stallions were put to plough with Tanker & went
quiet as usual

Feb 26th Consequences of dry weather Post & Holes heard!
& Ploughing harder than Plant across & the Stallions
concur. The River shocking low (the lowest of the low)
and if it don't "rain" soon we must - no mistake
Thygoing Victoria "rains" over us I wish it fell
rain a little harder. For I'm blessed if I per-
ceived that she rained it tall!

28 Drizzly & Southerly Wind Putting up Post & rail
with Plant by the river put up yesterday "some" staves
it cramps the genuine hardily being obliged to fetch
Post & rail 10 or 16 mile from the ^{city} by the by in the
age of improvements & inventions what the duce -
don't they make a Rail road from this cursed river
corner me that corner me that Sir?
or by the living jingo in this Carolina while
mina Amelia Shoggs says I'll make day-
light through you in the shaking of a Lamb's
tail!

Or if making a Rail-road becom' convenient
we might put up with a Rail Road

1839 MARCH 1st FRIDAY 1839

Mar 1st. Very fine Had the Sheep in to draw off about 200 of Mr Foster's Sheep (the sons of wethers) - & rode to Mr Leods & walked with Mr Woolbrake to Cten. - Rode from Lawe with a Mr Hogg (the son of a Clergyman in Northampton who intends settling at Port Philip) to stay a few days (he was overturned in the Coach coming from Hobartown & severely sprained his ankle & is still lame - Belw was expected to sail to day)

2. Very fine Putting up Post & rail with Plant at the end of the brush fence in the Valley -

3. BUDY Rather chilly & Windy Went to Church with Pa & Ma Sara & Mr Hogg - & saw Arthur there who ret^d with us & staid all night Had Service -

4 Very fine but keeps so dry Rode to Cten with Arthur & saw Kemp Reeves & his brother & Father & called via F. Johnsons & saw a Mr Thomas & his "Scotia" - Saw Mr Jellicoe & her niece (who drove down) & Capt Motheringham -

Mar 5th Very fine Putting up Post & rail with Plant at the end of the line along the road & boring & mending Posts. - Rode to Lawe & Capt Dixon walked to Cten & ret^d & staid Pauid night -

6 Close morning & Rainy afternoon Putting up Post & rail with Plant by threat of yesterday Capt Dixon left -

7 Very fine Walked to Mr Leods for Cabbage seed & ret^d & sowed Sugarloaf Early York White Brocoli & Cauliflower & some Radishes - Mr Leods & Edm^d Bryant called & staid the latter says he fed 80 Sheep on 5 Acres of irrigated Land !!!

8 A Fine Hard RAIN nearly all day just saving us when at our last grasp a real refresher - Mr Leods & Bryant left & Rode to Cten - Sowed a few Turnips in the Garden -

9 A sharp Frost !!! but very fine after the Rain Sowed a few more Turnips in the Garden and rode to Mr Mackereys for Books & on to Capt Allison's in passing along Black Johnnies Mary endeavoured to find a blade of grass but was unsuccessful -

Guided & Cashmere began to plough by the brush fence by the river very dry -

Capt Dixon called & staid

8 Mar 10th SUNDAY. - Rather fine with a little mist

Drove Mr Hogg to Church -

11 Very fine Dressing the Sheep with Plain
Bob Tobacco Wailers & Mercurial Ointment
(very clean)

12 Beautiful day! - Drove Mr Hogg to Lenny
Mr J Hill called to see Mr H -

13 Fine weather. Rode out & had the Sheep
in to count (44) def, & a shearer about to leave
The Joiner pile the "Star Mill" in the Chaff Mill
and hedge ground about 2 Bush of Flour but
unable to get any ground at Thomas Mill etc.
River being so low

The Dry Weather makes the Weathers dry. Rang
up all the Water Holes.

14 Very warm. We drove Sarah to Mr Tolls & went to
Clen to Capt. Jordan & dined there with Sir John
Franklin Archd^l Hutchins Hen^l Elliot & Captain
Capt Wood & Crews. Miss Jerns & Mr Leod & sent
Obliged to have a load of the Wheat turned ^{some of it getting rather musty} ^{finds out given} ^{which makes}
us rather crusty. Will be bread also the speed -

9 Mar 15th Rather windy & a few drops of rain -

Parish from Glen. & Arthur rode over from Lenny -

His Excellency Sir John & Lady Franklin
Miss Crockett Hon^l M^l Elliot Archdeacon Hutch-
ins M^l Bedford Sen^r Capt Jerch M^l & M^l Harrison
came to Lenny & Arthur & I accompanied
his Ex & Lady & I Suite to Mr Gatenby's & show
them the road & dined there & we went to Mr
Bayles with James Bayles & stop there saw
there Corney Emmett Young De Graves. John
Headlam & Robt Bayles & Sam Reeves -

16 Shocking Windy night & morning & finish
day. Arthur & I left Mr Bayles & called
on Young Reeves at Ruark & at Capt. Mills
one to ret^l home & Arthur to Lenny. Adam
Robinson called -

17 SUNDAY Very chilly. Went to Church with
Pa Ma Sarah & Mr Hogg - and we called on
Mr Tolls with Arthur who staid there
A sheet of green grass to be seen on a nar-
row inspection. but we want Reins more.
Reins Sir! - We do so

Nov 18th Very chilly morning & evening - Messrs Geo & Rich^d Lee two Gentlemen from York-
shire intending to settle at Port Philip came
down to breakfast to see Mr. Hogg whom
they knew in Hobarton -

Rode to Glen on the grey Stallions to ex-
ercise him -

19 Very warm Rode to Thomas' Mill to see about
Flour & called at Mr. Ribbins to get some Oats
& barley but alas! they had none - saw Mr. Westcott
Jas & Mr. Hogg left for Launceston in the Brig -

20 Very fine picking Apples for Cider - with Mr.
Buckrope up in the carriage to Glen & back Mr. Johnson
back to stay a few days -

21 Rather fine I may say fine weather Mr. Lee took
the Stallion to Glen & had him shot -

22 Misty morning & a little drizzle Rode to Glen on
the Stallions & called Mr. Johnson's who came
down to dinner & Mr. Lee with him to Glen &
staid all night -

Nov 23rd Misty morning & hot & drizzly & cleared up a bit
Drove Mr. Johnson's horse to Glen & met a splen-
did Bristol Swif in Carriages so grand!
(Mr. & Mrs. Pinner down & many more "Minions"
& "bride-men & bride-maids" & all) - & drove or rather
was driven not to destruction - but to a
Cricketing at Mr. Abbotts by Mr. Johnson &
called for refreshment by the way where found it was
we made but a poor list of Cricket but got
on better with the "cups" since (see dinner &c.)
And once they got glorious & "kinder words" up-
-roarious & some "ex-tem" were quite solemn-
-tious & as old "Abbotkins" said of the "Gents"
"My pennywig how they did it &c. &c. &c."
& no mistake

They turned ^{about} and wheeled ^{about} and did just so
And every time they wheeled & about they jumped & then
Broke up at once & I drove John ^{John} to Glen & staid
with him all night -

Jas & Mr. Hogg were from Launceston -
Rec^d a Letter from EDWth who has arrived safe
at Southampton with the loss of 2 Sheep out the 300
The Horses in capital order rode from Glen & Hobarton

To send Mr. Johnson's horse in Launceston to see Mr. Westcott & Mr. Hogg at 10th St. Hobarton

Mar 24th SUNDAY Most beautiful day Drove home with M^r Johnson who rode a Clin at night. Messrs Geo & Thos Lee called & staid all night. Arthur rode over.

25 Beautiful day Messrs Lees left for Hobson & Pa drove M^r Hogg to M^r Jellicoes where he is going to stay for some months.

26 Warm Exercising the Station. Pa left for Launceston to be at a Meeting "convention" Friem Disobedience.

27 Very warm quiet & summer weather. Rode to Glen. saw Johnson! Samson!! & Davidson!!!

M^r Jell Thos Read & Messrs Hogg drove down.

28 Very Warm & rather sultry & much lightning!!! in the eve. Picking up stones and rubbish & burning them off in the top Valley. Pa & Gould & Casmore are ploughing there but so shock in hand & dry that they rent the share & twist the plough all ways. Pa recd from Sam^l & M^r Jell the field 13 acres (including the Storey part -) M^r Woolridge & Tennant M^r Lees left in from the shooting.

Rain in the night

Mar 29th GOOD FRIDAY.

Fine morning & such a fine HEAVY RAIN in the evening. Beautiful! beautiful!! Went to Church with Pa & Sarah & we had home Chas & Henry Wood - to stay a few days. Capt & M^r Wood came to stay till Monday & got such a welcome in coming along!

EDW^d got in of a "mudlark" from S. Australia (giving us rather an "astonisher") where he saw a bushy beaver & Robt a' the tother side on it also. O Bitter with many more & grass galore. He comes for "Dance" & "Sneeze" - as his horse is stupid "happ" won't draw in a cart.

30 Fine & showery & began to Rain in earnest in the eve & all night. A real make-the-grass-grow Rain. Roundabout with Chas & Henry Wood. Pa & Capt Wood rode to Glen & Edw^d also rode to Glen.

31 SUNDAY Easter. Rather fine morning turned cloudy & windy & cold. Edw^d rode to M^r Davidsons & staid all night at M^r Johnsons. Arthur rode over & M^r Hogg - came down from M^r Jellicoes to have a "crack" with us.

1839 APRIL 1st MONDAY 1839

- Apr 1 Very cold morn^g but turned out a most lovely day
 Young Wooltrabe called to see M^r Wood who left his
 home with Capt W Pe & Ma accompanying them
 on their way to Launce. Selw also left for Launce
 Went over with C^d H Wood to a Cricket match at
 M^r Harrisons there was M^r Swifts & his Scholars
 Geo & W^m Harrison M^r & M^{rs} Prewer the Miss Hells
 Edw^d Willis M^r J Hill Frank Keach &c. stood
 till 12 & brought off Sams & Hickin with me home
 2 Beautiful^m Beginning to look green about
 Roundabout with the Boys catched Chas & Henry
 a little Bell to the number 7 in all & they made
 some noise I'm thinking if you'll believe me they
 jumped & screamed & ran & roared & only broke one
 Window which I think very moderate.
 3 Warm very walked with the W^{rs} Sams & Hickin
 to Glen to M^r Swifts's place to his lander more
 called at M^r Johnsons & saw De Maria there

- Apr 4th Most beautiful day Rubbing out Onion Seed so
 M^{rs} rode to M^{rs} Jell^s
 5 Warm but Cloudy Rode round on the Stallion and
 had the SHEEP in & dressed them (the Rams scabbing
 & soon them out for a while & put in the 15 that were
 in the Pad^s) - M^r Bedford called
 6 Most lovely day Dressing the 16 Rams & Rode to
 M^r Willis' to enquire about Cape Barbery.
 M^r Swifts & 4 of his Boys out Quail shooting came
 'ben' for a hour. M^r Wooltrabe also out shooting came
 to see. Pe & Ma & sundry parrots ret^d from Launce
 SUNDAY Very fine Went to Church with Pe Ma & Sams
 & Arthur who was also there ret^d "wid" us M^r & M^{rs}
 Peod^s also there
 8 Very fine. Rode to M^r Thompsons to enquire for strayed
 Sheep & Painting Cow House Gates &c & being mounting
 two Posts for a Railway for the Drush Valley Pad^s -
 Edw^d ret^d from Launce - his horse a Beg of Bones.
 Beautiful day Rode to M^r Fosters & Fogg's to
 enquire about Sheep Pe & Edw^d rode to Glen & brought
 down a M^r Capell a gentleman intending to settle
 at Port Philip who stayed all night

M^r Peod^s
 M^r Fogg called

Apr 9th A G^d man of the name of M^r Lee & a driver came for the 600 sheep sold to M^r Gilles & stayed all night - Edw^d went to dine at M^r Johnsons at 6th.

10 Beautiful day Brown red^d from Capt Woods last night with 2436th non of seed wheat - Had the sheep in & drove of 212 for 206 trothed ewes for M^r Gilles & W^m went to Levenmish. J^h M^r Lee & they drove off 400 two trothed ewes & brot them over M^r Capell left for Levenmish - Edw^d red^d from C^{on}. Cape Charge & Cape Forth came to breakfast & to look at the disputed "Roads" & M^r Harrison & M^r McKersay also called and they & J^h all left to go over them as far as T^h -

11 Very fine - Went round the Pond to get the sheep in down off yesterday & young M^r Lee & his crew left with them (600) -

Drove Rosa to C^{on} to get the fire lightened & saw Alfred Stephens who passed in the Coach. Could SOWED 9 Bushels of Wheat by the brush fence by the River where the sheep were.

12 Made a Bed & turning the Wheels of the Cart I pointed in 10th - See Note Page 19.

13 Most exquisite day Drove Sara to C^{on} & M^r Lee saw Arthur there who came home dressed.

14 SUNDAY - Slight Rain & Cloudy Arthur red^d a few.

15 Foggy morning & most beautiful beautiful day such a fine show superior to Spring - is a mixture of the Proofs till only keep off. Rode to C^{on} to get Rosa shed M^r Hill (J^h) & little Henry Harrison came to lunch. M^r Lee & M^r Reut^d drove down. Edw^d rode to Levenmish. Could SOWED 9 Bushels of Wheat & sowing that down on 11th.

16 Another fine weather. Sowed 9 Bushels of Wheat - with hand work in sowing & sowing that down. Drove Sara (with Rosa) to Cape Woods & staid all night. Sara to stay a week as Mr. Thomsen & his Daughter were there.

17 Fine Weather Cape Wood went in to Levenmish in the big - staid at C^{on} saw Cape King there (the P^{ro}) & M^r Capell who is going to South Australia in the Royal tomorrow morning.

18. 1st. Hog the man in 2 York L2.0.0 each
 for Summit for Summit & Ordered to Suit at West
Barnes 1st. a Stat at Robertson's 2nd. a day down at
Amersham 3rd. traveller 4th. a day away from home
Amersham a man also the Wid of Chumbers
Edwin Journal & called on Mr Proctor & know if
Edw could have the "Maynard" to take Shrop but
 he could not say for certain.

18. A sharp Frost & sunny morn. But came on a cold
 wind & very Chilly. Called on Mr Wenden to know
 if the "Fox" could be had for Shrop & he will
 take Edw with Capt Wood such a cold drive
 we had & stand at Hartridge all night.

19. A Frost & Fine day. Left Capt Wood & got
 home in two hours & a half.

20. Cold & lowering. Helping Geordie to care Roots
 off the Brush Valley Field & coming a Winn
ing Machine a bit which he got on trial.

21. SUNDAY Rain but night Windy Stormy
 cold gloomy & threatening for Plow Wm went
 to Chm & Church.

22. Very Stormy last night a great deal of Rain
 & heavy Shower all the morning & cleared up
 turning the Winn ing Machine a bit
 The Plasterer began to plaster the Scam with
Roman Cement & Cummers carried 2 loads of
 & Bricks for the "Green House" that is to be
Mr Hogg rode down. Milner Wood came & staid
 all night.

23. Sharp Frost & fine day. Could send 9 Bushels of
WHA on the Brush Valley Field.

Lewis Wood left with Pe & Edw who rode to
Chm & red with Arthur (who staid) & Mr Johnson.

24. Cloudy but mild. Pickled 9 Bushels of Wheat
 with Geordie which he carried adjoining that some
 yesterday which completes the piece. Picking
 stones off it with Barley & churning the Pist
 for the Railroad. "Arin" made himself scarce.
 The Plasterer finished doing the Scam with Cement.

NOTE to April 13th. A fine Man from the Chm Gang
Burley.

- Apr 25 Fine day Put up the Posts for the Railway of the British Road & reputting up the Dog-leg with Barley.
~~Port Philip~~ ~~where it is~~. W^m Wood came & staid all night. He has just arrived from Port Philip for Sheep has sold his old marginal Ewes there for 2^d each
- 26 Fine day Finished reputting up the Dog leg. with Barley & Picking up the long Grass & Burning it & Put the Sheep in all night to tread the Seed in. W^m Wood left Port & Edw^d drove to Glen
- 27 Fine day. Dressed the Sheep ~~34~~ (34 dls) & drove off. 5 old dogs (calico Ewes) for killing for the Pigs - also drove the Rams very scabby. Mr Bailey called to see about Edw^d taking some of his Sheep to South Australia on the halver. & staid all night & a Mr Rodwell in his tandem a Gentleman who came from South Australia with Edw^d who also staid all night & ~~is~~ is on his way back to S.A.
- 28 SUNDAY. Foggy morn^g & cloudy. Drove Rosa in the Gig to Capt Woods accompanied by Mr Rodwell & Edw^d in tandem they merely called at Capt W^d & went on to the Inn (staid) The Man let Rosa go & off she set with the Gig round & through a fence upset the gig &c. however she merely broke the shafts

- Apr 28 ^{cont^d} Saw Mr M^r Cameron from Laur^{ie} there Wheat is said to be from $\frac{1}{4}$ to $\frac{1}{2}$ p^{er} Bushel !!!
- 29 Rather fine day. Left Capt Woods without Source as they would not let her go
- 30 Foggy morn^g & cloudy turned rather sunny Attempting to make Cyder by chaining a joist for a Lever under the axle tree of a Cart filled with stones & putting the Rumice in small Soogee Bags in the large stone trough & ~~by~~ leading it out as fast as pressed Gould sitting at the end of the Lever. We pressed think a five to six & thirty gallons or may be more. The Apples were squashed by Gould in the stone trough with a Wooden mallet. I caught cold in the side of my face in going to Capt Woods's ^{casings} head = such a toothache nearly all night Horrid horrid!! oh dear oh dear oh!!! Arthur rode over John also came over & staid. The Wheat sown 11th is coming up. The Plasterer & Groves are digging out the Foundations of the Green House.

1839 MAY 1st WEDNESDAY 1839.

May 1st Gloomy windy cheerless day. Hooping in doors for the toothache Parole to C^{on}. M^r McKerssey came to have a man reprimanded also a Dr^r Bennett who is in partnership with Dr^r Strong.

M^r W^c Chione & his Father made a call -
2nd Stormy & Rainy in the night & very boisterous all day & a shower - Making Cysder (about 50 ^{gall}) with W^m & Berley - Could sow ^{some} Bushels of Cape Barley in ^{front} of the Mens Hut where the Turnips failed last Spring -

The Elizabeth is not come down we are afraid it either is not coming or else has forgotten the Road! - Eld^r came from Lau^{re} about engaging the Summer

3rd Fine day & rather Could sow 3 Bushels Oats adjoining the Cape Barley sown Yesterday Making the Announc^{ment} the Onions were last Year into Beds & SOWED two - wrote to C^{on} for some clothes from Lau^{re} for Coach viz Dr^rs Coat De Weistcoat De Trowsers & a Staff Shooling Co - Eld^r's list for Lau^{re} (He called on M^r Berley in the morn^{ing})

May 4th Sharp Frost & very fine day Finished making the Cysder with W^m & Gould having made in all about 160 Gall^{ons} viz
1 60 ^{gall} Cask 3 30 ^{gall} Do 1 10 ^{gall} Do 3 10 ^{gall} in a Jar
a rather steady affair

5 SUNDAY A frost & sunny day. Went to Church with Pa & Ma saw M^r Hogg there who came home with us & staid

6 Rather fine & sunny Sowed 6 Beds with ONIONS - I went with Cashmere to M^r Leeds Hill with a Load of Wheat for M^r Hamilton for the Load we had of Capt Wood belonging to him but could not get it weighed as the Scales was out - Fellows brought from Lau^{re} 20 Deeds 11 felling 11 & 3 - We also completed the back of the Stable down into the Trench so it may now Rain as fast as it likes or factors!

The B.S.P.G.H.I. sadly increasing in the Garden I am much afraid it will get the upperhand of us!

W^m & Gould pressed about 30 ^{gall} of Cysderkin out of the pressed Summice -

Pa drove M^r Hogg to Campbell Town on from whence he walked to M^r Jell^{ies}

Pa rec^d a letter from M^r Robt Leake dated 29 Dec^r 1839

May 7th **THE SIXTEEN YEARS !!!** ago

when I was a very little lad a very little lad since
we set our "foot" on the Land of Van Vemon
but luck to it (not our "foot" but Van Vemon)

Windy & stormy at intervals. Rode to Mr. Leads Mill
& saw the Wheat taken Yesterday weighed 2438^{lb} was
the exact quantity we had of Cape Wood
Finished sowing the ONIONS to Beds. 14 in all &
Sowed 3 rows Carrots adjoining them & sowing Marrow
fat Peas. Wth rode to C. Wm. The Wheat sown 23rd of
coming up

Rec^d a letter from ROBERT who has ⁶⁵180 Ewe
lambs at 22nd - "but looks are still bad" - a pair
"Some Ewes of Swanton sold only for 2nd they were very
thin" another party has arrived over-land with 1000 head
from Sydney Potatoes £25 - for Tom Flour £40 for Tom
with Meat for the makes cheap living for the poor Sather
A.S. V

Edwth came from Lawth on a Horse (a rum rum) which
he let for £20. With a Mr. Miller a Gentleman from
Sunderland

May 8th A very fine day Sowed 3 double rows of Marrow
fat. & Pruning some Currant trees Capt Wood
brought Laura home & second - Edwth & Mr. Miller
drove to Lawth with Mr. Miller's horse one he purchased
of Mr. Oakden who was as they say "known in to look
at" but "a good un & go!" - Edwth Willis
called Arthur came over & staid

9 A fine day Pruning Currant trees & Planted about
100 Cabbage ~~plants~~ ^{seeds} the Chubs having
eaten all the plants - Capt Wood let also Mr.
Miller who let Wth Horse for £45.0.0 - & "Arthur
in consequence" took "Shenbult" Edwth rose to Lawth
Edwth rode down to Baileys Edwth Willis called at
Mr. Radwell arriving from Lawth in a carriage & staid
Till left for Westberry to look at some land to
take 20 Acres he has in compensation for
defth in origth Grant

10 Fine day Pruning Currant trees & riding round
Mr. Polson rode down & Wth walked back with
home. Lieut. Erskine rode down Mr. Radwell came
from Lawth in tandem & staid

May 11th Partier-line Riding round - Edw^d ~~was~~
 drove the black Horse in the Gig & took Mr. Bailey
 to Mr. Chene's & Smith all night - at Glen
 & W^m & Mr. Rodwell went to Lorne

12 SUNDAY Very Sharp Frost Rode with Mr. Rodwell to Church A very fine day Edw^d in the Gig

13 Very Sharp Frost & fine day Had the Hames on & dressed them Put some Sheep in the June Field to cut off the self-sown Oats & Mr. Arthur came over on Skewbail & left him home being fit for a Gentleman to ride being in fine a Cavalier & he & Edw^d went to Glen in the Gig Edw^d brot Kemp Reeves who staid -

Mr. Rodwell left for Lorne W^m went to Glen with him

14 Very sharp Frost & delightful day Went to Glen with Edw^d in the Gig & J. S. Reeves on Edw^d's Horse & in consequence of stopping the Gig suddenly I fell who was immediately behind nearly jumped out & was pitched on the hard Road & severely lacerated & the Horse ran home & Edw^d enter in - Saml^r Chene Lieut. Eskine, Johnson, Davidson & Co. Edw^d went to Lorne & staid

May 15th Fine Rain in the morning cleared up sunny - Rode to Glen on Friday to fetch the Cuz which I left yesterday to be repaired, Saw Mr. Hallow & Chene & Edw^d who were agreeing about taking 300 of Bailey's Sheep to South Australia Called on J. S. Reeves who was pretty well considering his Vestth fall Rode home on Edw^d's Horse ~~with~~ brot 216 Cuz home

16 Gloomy cloudy forenoon & Heavy Rain - Could sow 4 Bags OATS adjoining those sown on 3rd Mr. Hogg rode down - Edw^d walked to Lorne The Water ran into the Tank at a fine Rate during the Rain & very clear but became muddy when in consequence of the Clay at the bottom The Cape Bailey sown on 2nd coming up

17 Edw^d's man brot 304 Ewes of Mr. Bailey's from Mr. Chene's (fine sheep but scabby) to go to South Australia

A very fine day Had part of the Sheep in & drove the Hames out (28) & Dressed the Sheep brot from Mr. Chene's yesterday also 40 brot from Mr. Mackersays to Langang partly to Mr. Bailey & Mr. Todd & Mr. St. Auzth every one scabby a rum lot Edw^d ret^d from Lorne bringing 260 Ewes Lately for South Australia

18th W^m & Chene to the Lorne & staid 2 days & 2 nights & brot 200 Ewes to the Lorne & staid

- May 18th Most beautiful Weather Drove Sara to Mr. Pellicors
 & C. ten Edw. rode to Mr. Bayley's ^{why so early?} ~~about 10 o'clock~~ with
 & said Arthur came over & said Xth Horses left W^{est} H^{ill}
 19 SUNDAY Rather chilly & was driven (not to Despatch but
 to C. ten) to Church with Pa Ma Sara & Arthur & Arthur
 & Mr. Bayley (Pa agreed to keep Mr. B's 325 Eves
 until after Shearing on the halves viz 1/2 the wool &
 1/2 the increase, they being too heavy in lamb to go to
 S. Australia)
- 20 Very fine day Putting up Doglegs joining the Post &
 rail at the further end of the lane & doing something for
 Pa & Edw. left for Lau^{re}
- 21 Fine day Had Bayley's Eves in & pitch mended them
 on the rump & sent the Eve Lambs trot from Lau^{re} on 18th
 back again as they are not to go to S. Australia -
 Cape Horn & Mr. Butler called for Subscriptions to Wobley's
 Mr. Hogg rode down The "Tank" lost a good deal of
 the water that ran in on 16th therefore Widap has put a dam
 more clay in & is paving it with Stones & going to grow it
 with Blacklime Sand & Ashes in equal parts -
 X Pa rode from the Westward he could no find the S^{outh}
 he wished Rosa slipped her feet at Volcanue

- May 22nd Uncommon Fog why bless you not a bit o' sun
 to be seen till 4! - Pruning Currant trees & mandarin
 Witap granted the Tank with lime ashes and sand and says
 he don't think will raise any -
 There's a variation lot o' meridian light 'mong the Apple trees
 I'm sadly affected we must serve 'em same as bloody Mary did
 the Brides and we shall be able to make any more mighty per-
 dicker for Giles which will be an uncommon pig 'will be
- 23 Very fine Had the Sheep in & dressed them with salt
 Bayley & Bird (Bird's mare) very clean & fat - &
 drove to C. ten to fetch Sara from Mr. Johnson's but he like
 Tharman hatched his heart & would not let her go so I
 rode Arthur came over & said -
- 24 Queens Bird Day - Rather chilly morning Bad
 Bayley's Sheep in dressed them & sent them trot to
 Lau^{re} 324 - Pruning Currant Pa rid from Lau^{re}
 Mr. Rich & his Sister Mr. James Wedge came to
 stay a few days Edw. rid^g from Lau^{re} Arthur
 left
- 25 Dull misty morning Drove to C. ten & had Sara in
 Mr. Johnson's Bird left for Lau^{re} to look at 64
 incisors & to let Mr. Oakden & 22.0.0 11th was
 large tree in "Emile's" they're "big" & clear

May 26th SUNDAY Rather chilly at the sunny West
to Church with Pa. Sara, J. T. Rich^d & Miss Jane
Wedg.

- 24th Frost & very fine. Drove Miss Wedge & Mr. N. Wedg.
drove Sara to Mr. Telleco's near Am.
28th Hard Frost & no mistake & most lovely day.
Mending up the Post & Rail of the Fall & 2^d
against the river (or rather the place where it
ought to be) with Do^r. Mr. Wedge drove Sara
& Mr. Miss Wedge to Mr. Telle to dinner.
Bird net^s from Sam^l with the 64 birds etc.
29th Beautiful day. Mending up the Post & Rail same as yesterday.
Mr. Wedge & his Sister left - Ben^t took to Sam^l.
30th Very fine. Frodo's & Pitch boards marked the off. Sam^l
here there are 6 Cows 6 Swine 6 Hens 6 Ducks
Mending up Post & Rail same as yesterday.
Could collect 12 Bushels of Apples in the Sun. Part^l
on the place opposite the large pool where was wheat last year.
Sisterly began to pour the piece of black soil in the Sun
which is so sticky in Winter.
Mr. Hogg rode down to the

1839

HE 1st HILL

1839.

- May 31st Much drizzly rainy day. Raking up & burning chips
& rubbish from about the dogleg in the branch built End^l.
June 1st Saturday
June 1st Drizzly much rainy same as yesterday. Burning off the rubbish
same as yesterday. Cuckoo's just came more gravel on the
"Pool" which is now a very good one if so be that it does not
wash off of which there are no signs at present the pool
being lower than in the Sun^l & am afraid it will cause
running for days the different streamlets which form
drying up we should be lucky if it was like Peg's who
had an iron in her leg & while one leg was still the other
kept running! - wouldn't you?
Elder^s left for Bethwell. There -

2nd SUNDAY Heavy Rain last night all slushy & splashing
about the bottom of the Tank covered for the first time
(it being sloping). Took to Sam^l for John's Gun to shoot
the Parrot - Rather windy but fine. Parrot to Sam^l

June 25 Chilly, drizzly & cloudy Pruning Currant bushes.
 Henry walked over brook to Otter -

11 Frost, rather fine. Had the sheep in and I showed
 them for the first time before lambing & given the
 best Leicester's with them & put them ^{out} in Past^{ure}. They
 were very free from scab. - Old N. Reeves called.

5 Damp & dewy & rather chilly. Raking round to pick
 up any sheep about found 4 (in counting them yesterday
 were 40) making 26 left since Bob took charge
 Dec^r 1837. Breaking stones for the road in the lane
 N. Olden came from Leam^{ing} & staid all night.

6 Rather fine. Planted some Early Yorks on the
 piece below the Entrance Gate & Pruning Currant
 Currant bushes. N. Olden left for Capt. Norton's Pa-
 rade with him round by N. Jellies.

7 Very chilly. Pruning Currant bushes & fruit trees
 all but one or two & rode Otter to Smith's Litters
 & got a pr^{ize} of buckskin trousers from g^{ent} tailor. Had
 A good deal of the Wheat ^{in the bush} in the bush in the
 full Past^{ure} has musseled ^{in the bush} consens^{ed} of its being
 so dry when sown. Sept^r 7th it looks ^{very well} in some
 places almost too rank.

June 8th Very early began a more or less heavy frost & rain
 off starts about the end of the time. Henry walked over
 from Lane & came.

9 SUDY. Light frost and very fine & mild. N. Bailey her
 one of her children ~~came~~ & ~~came~~ Adam Johnson came &
 staid the day. Sister red house mid em - To ride to Otter.

10 Frost. Drove four for a bit & then came on so ~~very~~ con-
 siderable fog & did so. Remained at the Canal several
 hours of time adjusting that some 30th when completed
 concerning for that season.

To drive to Otter & N. Douglas's went with him to ~~some~~
 "Housings" water lates to show some land where he (N.)
 might take his 200 acres but N. Douglas is too far away.
 N. D. came home near 10 & dinner.

11 Cloudy but mild burning off sticks &c same as on 8th.
 Burley finished paring the the piece of black soil in the
 lane began on 30th & Cadmore & Gould began to cart-
 the gravel from the quarry in the Marble Hills to put on it.
 Kemp Reeves came down & staid -

12 Foggy & damp all day. Burning off sticks &c same
 as yesterday. Young Reeves left.

June 24th Chilly morning but the sun got fine. Starting
the Station at the plough by himself with
Gould Young Reeves left

25 Very fine for Winter Ploughing with the Station
Gould Young Reeves left. M. Davidson
his daughter & Miss Martin called

26 Frost & very fine Ploughing same as yesterday
& wanted some Cauli-towers from Sora

27 Frost & fine Ploughing same as yesterday

28 Frost & damp rather. Fanning Peas & turnips
& burning off wood

29 Frost Frost & fine Ploughing in June Part
same as on 26. Arthur came over & said John
also came & said -

30 S.W. Particulars birth day he is 24 - & Frost
& wind & winter. Took to the Court Church
saw Tom Williamson the vicar on travel in
a velvet & going to Sydney - & rode to Cape
Fortis to enquire about Tapa but could hear
nothing of it -

July 1st Cold & windy Putting pieces of mud into the holes
in the Barn to stop the rats out & planted some
early Yards that should be over on Saturday &
burning off wood Dr. Fancher called & showed
his Piano & Pa rec'd from John he bought
a couple of Fig trees & cuttings of different
kinds - Geraniums &c -

2 Fine morning rather cloudy in afternoon
Hales ten horses names - in Buxton & bought
the Stone wall between the Sheep field and
the clover field which he began

3 Cold but cloudy went out with Bette &
Cashmore to make a shed for him (see 13)
on the She Cat hills & amongst me made
the Skeleton of one. M. Miller Smith & J. P.
Calonty called & Pa went with them to the
Agricultural Meeting at Glen J. P. Calonty
rec'd with Pa & staid all night -

July 11th

They all departed to their respective
habitations. Rode to Can to get some
& back for his horse saw a bear & passed
him from the front about 1000 yds as
the birds

- 11 It felt to fine. Fanning Bees & horses
Landed but Mr. Johnson & Mr. Jackson
a fine day & called for us in the evening
A very cold Young River came down
at night ~~IX 24~~
A Gardner ~~IX 24~~ Harrison saw fine
Caldwells Party arrived

- 12 It felt to fine. Fanning Bees & horses
Building at the Stone Wall. Dug
has a new bar & is unable to ride as
of horses left
- 13 Long slight drop of rain in the night & mild
Building at the Stone Wall
Some persons broke the luthery paddock
& stole therefrom a log of Pine & the fur
of three sheep. Could not go to jail

Sunday

- July 11th A Very chilly & windy. Went to Church with Mr. & Mrs. Lane
15 Rather cold. Building at the Stone Wall. Fanned
is Can. Could not work 14 days solidly—
- 16 Mild rather. Building at the Stone Wall
- 17 Do do Do do do do do
- 18 Breezy morning & rain towards night. Building at
the Stone Wall
- 19 Rather windy. Building at the Stone Wall
Mr. Douglass & his brother 'Hedge' came down & con-
cluded the bargain about Jack & Linker buying
them for £140.0.0. £45 Cash & the rest on
bills at 3 & 6 months
- 20 Stormy & tempestuous. Windy & chilly & rain
at night. Building at the Stone Wall in the morning
Mr. Jackson came down & stayed dinner
Delivered Jack & Linker to Mr. Douglass' men
Arthur came over & staid
- 21 S.W. Cold. Sleety & southerly wind. No frost
seen. The Wheat looks very well but there will
be places owing to the frosts & dry weather.
Snow along the Eastern River

- July 22 Very cold Southerly Wind & letting
 & a Shower cold very cold & Building
 at the Wall but so cold obliged to leave
 in afternoon Arthur not to leave
 SNOW on the Macquarie Tier like Sarn
 Heiler's further back all "wide" very - in the morning
- 23 Have frost & very fine quite a contrast to
 yesterday Building the Stone Wall
- 24 Have frost very - & very fine Building at
 the Stone Wall Dr Skeriff (RN) & Mr John
 son called.
- 25 Slight frost & very fine very - Building
 at the Stone Wall with spitting
- 26 Slight frost & very fine Building at the
 Stone Wall Arthur came over to staid
- 27 Cold windy & wintery Calling us Slaves for the
 Wall with Bowley. Mission not to leave taking
 the two year old Slaves (Stanza's foal) & the
 up & near us Mr W. Johnson, down down -
 (Without very clear from 20/2 30/ for bushel

- July 28 SUNDAY Rather mainly & cold. Parvett to Church
 29 Fine rather mainly towards night. Parvett to Church
 Can. & call on Mr Smith & Mr Woodford. Capt. P. H.
 not with him detain - Building at the Stone
 Wall The Carpenter finished the GREENHOUSE
 which is partly glazed
- 30 A fog & fine morning Building at the Stone Wall
 Capt. Wood left
- 31 Rather windy & chilly Building at the Stone
 Wall Brian went to T. D. Douglas yesterday
 to talk with the Pump maker Douglas & the
 Pump which was fixed in the Tank which
 acted like a pump in there is about 2 ft
 of water in the Tank The Goosebong
 has finished
 The letter from Robt who writes he has
 had 12 of his Swes & Lambs killed by the
 natives & has sold a 100 yd Weathers at
 £2 - expects to sell 250 at the same
 price & some Swes at £2.5.0.
 provisions & stock very dear still is obliged
 frequently to move on account of Spotted
 Fever

1839 AUGUST 1st THURSDAY 1839

Aug 1st Cold & Windy a little Rain. Too cold to
go out. The wind was blowing from the
north-east with Drizzle & considerable

2 Rather fine Building at the Wall

3 Do do do do do do

4 SUNDAY Rather fine Walked out with Pa
& Sarah out to Babe Hut

5 Rather fine Building at the Wall

6 Sunny Building at the Wall

7 Rather chilly Building at the Wall with
Bartley Pa rode to Looe

8 Cold, furious & stormy Building at the
Wall with Bartley Pa & Edw. rode down
to a Sale at Mr Stewarts. Stewarts Horse
sold very high £40 each. Arthur came over
& said

9 Rather windy & cold at night. Shocking
hard frosts with the wind. Yesterday & today
frosty. Arthur & Sarah went to the Park

Aug 9th at Captain Woods given in John Woods
man from Port Philip. Rode down to Mr

10 Arrivals for Books

10 Rather fine Building at the Wall with
Bartley Arthur & Sarah rode from Cape Wood
Park

11 SUNDAY Cold rather & windy Pa rode to
Church. Arthur rode from Looe

12 Fine Building at the Wall with Bartley &
made a Sale -

13 Very fine Building at the Wall with Bartley
Cape and getting a Beets Post with Bartley
Cape. Arthur rode to Looe & Elizabeth rode to Looe & Looe

14 Hard Frost & very fine Building at the
Wall & getting a Beets Post with Bartley
Pa rode to Looe & Corn Mr Neelands called
to see from the Shooting also Mr John Wood &
Mr John Wedge with a little Port Philip. Arthur
about 11 dressed in top Boots!!!

Aug 15th Hard frost & very fine. Building at the Wall with Burley

" 16 Frost & fine Building at the Wall ~~with~~
& finished it as far as the Greenhouse & put
the iron gate post down ~~down~~ with Burley.
Capt. Barton came and Mr. Pike rode ~~with~~
with him. Brown & Gould worked Edw.
Horse & the Stallions together at the Plough
for the first time

" 17 Mild morning & fine day Building at the Wall
with Burley

" 18 SUNDAY Drizzly rather Mr. Hogg rode down
to dinner

" 19 A little rain in night Rather windy & Rain at
a distance Building at the Wall with
Burley — Pa measured up the
Buildings & paid Ashford the Carpenter
his Balance £36.— and has paid him
before in cash about £110.— & on provisions
about £104 making in all £250.— !!!
and as they say "that's none so dusty"
Mr. Smeaton Lord corrected —

Aug 20th Foggy morning & fine came on a storm about
2— so cold & raining Building at the Wall in
the morning with Burley Sella failed a Colt —

" 21 Fine day on the whole Building at the Wall
with Burley The Carpenter Ashford & Jozef Bagg
& luggage Mr. Jellison & Juices drove down

" 22 Hard frost & very fine Went out with Burley to cut a pole
for the Cart & a couple of Gate posts & building at the
Stone Wall in afternoon W^m Pitt & Mosen on loan arrived

" 23 Rather cloudy & a little wind Building at the Stone
Wall with Burley & we finished it to the Sheep Yard
& put up a panel to cut off the corner where it joins
the Sheep Yard

" 24 Fine morning turned rather cloudy Went out to get the
Sheep in with Bob & dressed them with him Gould & Burley
some of the Leicester last years lambs very scabby all
the wool off the legs & bellies of a couple & with the long
wool they appear to be working about with a Spanish chock
on — Young Osmond & Lewis Gilties & Chas. Wood —
came down from Mr. Snyggs & staid all night & Chas
& Henry Harrison came over in the eve & a precious
noise they all made

1839 SEPTEMBER 1st SUNDAY 1839

Sept 1st SEAth Southerly Wind rather fine morning & turned cold - Rather & heavy rain & Hth Flexman met & Tth Singes Jth Tell & nurses drove down & brought some home. Lee Ford also was down.

2 Cloudy Southerly Wind drizzling. Southerly. Raining cold warm & windy. Rode to Jth Wittes & gave edwth Wilks a letter the same as to Mrs Anne Harrison & Davidson -

The River was now a passing high FLOOD!!!
Swainsburg old Willa in his hat like the em-
righteous in Noah's time

3 Southerly Wind & cold morning turned sunny & showers. Went out up 1 bag of Iskeat with Burley with the Hoechink. Antine rode over on his Hth Horse (ie on Hth Stallion)

4 Cold drizzly morning with a strong Southerly Wind & cloudy - Bored & morticed a post for the Gate way at the S end of the Stone Wall & another post

51
Sept 5th Rather windy. Southerly - Rode to Greenbank (Dth Mays old place) crossed the River at the Mill Ford so high in the middle that ^{Tom} had to swim) gave him a Notice similar to those I gave to Mrs Harrison & Anne &c - & rode to Cth & made a Declaration before Capt Ford of having served the notices & sent them to Mr Deakin. Jth Tell & Mth Hogg drove down.

6 Fine mild day Bored & morticed two posts for two panels beyond the the Gateway at the S end of the Stone wall & put up the posts of the gateway with Burley -

7 Fine morning rather windy afternoon Put up with Burley the two panels beyond the gateway we put up yesterday joining it to the Dog Leg -

Cashmore pulled off the thatch & the Roof of our old House down below which has stood nearly Sixteen Years !!!

The River still very high quite as high as since Monday

The peaches in Blossom !!!

Sept 5th SUNDAY When I was a potter's apprentice 5 Years ago I commenced a Diary which as you see I have still "continued" its a fact. ^{South} Southerly Wind Rather fine in the morning I rode to Church

9 Southerly the wind Cloudy but mild & growing Building at the Stone Wall with Burley Young John Dunn & Lieut Erskine called

10 Southerly Wind ~~Sept 10~~ Fine rather Building at the Wall with Burley Whip & Mills finished building up the wall where the back gates were & built an Arch over the new

11 Southerly Wind Moulding fine cold & raw night Building at the Wall with Burley

12 Southerly Wind the Wind has been Southerly for a longer time together than ever I remember Building at the WALL with Burley and finished it I & as Coleridge sings "Fitter glad we were" it was begun on July 24th

Sept 5th Southerly wind Had the Sheep in the CUT the Lambs 650 - besides about 60 young ones let go - Rode down to Mr. Kersays for books he says he sold Hamilton a Sin of Judgement for £15.0.0

14 Very very fine almost a summer day Planted an OAK in the corner where the Lane wall joins the Sheep yard & then Macrae in each of the corners of the brush cutting Pad next the Road and one in the ^{front} corner of the Vall Pad next the Road & one in the paddock corner at the Sheep yard mending what the old Laird in "Janie Downs" says to "well" "Telt you said a stick in a tree now & then they'll be be growin while you're sleepin" Is cutting out some stuff for a Gate for the gateway in the Stonewall next the Sheepyard

15 SUNDAY Fine rather looks rather dry about & it was rode over Pa roads to Church

16 Fine morning and a fine Rain in afternoon Making the Gate Mr. Galtley & Mr. Shuker called

17 Very fine day Finished the Gate all but a nail They planted about 700 new potatoes in Junction Paddock next bog bog this end

54
Sept 13 Fine Shower in morn & cloudy but
mild 'candleed tree' oes & making drives
on the top of the ridges of the land measure
in Juneth Paulth for turnips (about 5 acres)
with Gould & Kedge. Pa Wth & Edwth some
arter us with Bortles ~~exceeds~~ they were
Thunder! Lightning!! & Rain!!! at night

19 Very fine day a little wind towards night & hard
wooding the Onions & Sowed some MAIZE in the
field by the River

20 Fine day but rather windy & a shower in afternoon
Put the Blackhorse & the Stallion in the Roller
but with fear & trembling however they were made
quite but immorally owing to the roller being so
very heavy & Gould & Brown leading them they
rolled the Turnips Sowed 18th — Grubbed up
a Wattle in SE corner of Juneth Paulth where Burns
is grubbing to plant Potatoes

21 Fine morn. Came on windy regular Equinoctial
gales Grubbing in the morn with Burley same
as yestth & cutting the Trees up

Pa engaged Paulfield to split 2000 post & Rails at
10/ per 100 —

55
Sept 22nd SUNDAY Would have been fine if it had not
been windy Drove Sara to Church & saw Miss
Martin & a sister who has just arrived from
England

23 Beautiful Summers morn & warm day &
Raining & the wind whistling while I am writing
to past 8 — Had the Catwth cut 4 & branched
for Wth Edwth John 'sister' & putting some bolts in
the Roller which was coming insunders for vent
on'em — We put the Stallion in the Cart
for the first time the Blackhorse leading —

24 Very heavy Rain last night 5 1/2 ft of Water above
depth of Water in the Tank ^{very much enough to play you at cards} 25th Fine morn. Came on
very Raining about 11 — & fine afternoon Brown be-
gan to plough the piece grubbed 20th & I planted
potatoes every third furrow

26 Very fine day Ploughing with the Bullocks for Potatoes
same place as yestth Burley planting them Mth Jellth &
Mth Hagg drove down

27 Beautiful Summers day Ploughed a bit to for-
ish planting the White potatoes — & making drives
for (Pa sowing) Oraking in Lucerne in the long narrow
piece of Ground next the Garden above the large entrance

BITTER cooled —
a little

56
Sept 28th Frost & very fine & warm Finished sowing the
Lucerne & hoeing Cabbages &c M^r Jell & M^r
Hogg drove down —
N^o beautiful & green like almost every thing
else except the front of the House which is
red & white intermixed.

29 SUNDAY. Threatening for rain but turned out very fine
Went up with Pa to the opening of the Wesleyan Chapel
at Glen M^r Egglestone preached Dan M^r Thorne there
& M^r Oakden (who is going to be married) was with us
& staid M^r & Edw^d walked up with him to a b. c. clock
preaching. Kitty was covered since by the station.

30 Warm & rather sultry a Shower towards night Then
the SHEEP in dressed countess (about) & cut & ran
the rest of the Lands 71- 42 of which are Leicester
very fine Lands saved all the Ram Lambs — & drove
off 14 of last year Leicester Lambs to take to the
Agricultural Show on 2nd of Oct —
M^r Oakden left Arthur rode over —
M^r Hogg rode down

1839 OCTOBER 1st TUESDAY 1839

Oct 1st Beautiful warm morning a Shower fine afternoon
with a little wind had the Rams & drove them
only one or two a little scabby & walked out
with Sam to the Strong Plain Road & saw
Dr. Pearson's Funeral pass waited from 12 till 2
until 2 last 3 M. but could see nothing yet home
& went out again & saw it pass about 2 past 5
attended by a good number of persons in Gigs
& on Horseback, drove down to M^r M^r Hersey's
but as it was so late he ret^d without attending
it.

The Sreedes some on the 18th last month all
came up very regular
A good deal of blossom on the Almond tree
for the first time —
Thores going to be great doings Glen to-
morrow with the Agricultural Show. Stock
gangs from all directions —

55
Oct 2nd

Cold & Raining. Went up with Pa to the "Agricultural Show" we sent up some Leicester Hoggetts which got the prize for "length of Wool & of being capable of being fed to the greatest weight" We also sent up the Stallion & the Chestnut Mare however they were lost in the multitude. There was a very fine show of Stallions. Thornhills was adjudged the best Cart Stallion. Mr Gibson got the prize for some beautiful Bulls. Mr Harrison sent for the finest Ramus - However as it was such a bad day we were glad to get away. Arthur also was up - Saw young Mr Highland who came to sell some Horses. There was a Dinner afterwards after which there was a precious row between the Members & the non-members which ended in the latter having to make their "luckies".

- Oct 3rd Rather windy. Put the Hinges on the Gate & made 17th ult & hung it at the gateway in the Stone wall near the Sheepyard.
- 4 Beautiful day painted the Gate & hung yesterday & walked down to Mr Kersey's for Books - Pa & Edw^d drove to Glen & took a Horse (which turned out a Stallion) & light Cart of J^r Highland for £45 - (reckoning £12 for the Cart & £33 for the Horse) for Edw^d to take to S Australia.
- 5 Cloudy, cold & raining. Rode up into the Tier to meet the Carts (which fetching Post & Rails) met the advanced Cart wrong side uppermost! they having upset it. Rode to where Padfield was splitting & got wet through in return.
- 6 SUNDAY Fine day. Pa & Sarah drove to Church. Mr Jellicoe & Mr Hogg came down to dinner. the latter is think^d of go^g to S Aus^{tr} in the 1st Emma (the same Ship Edw^d going in) with some Horses of Mr Cluenes. Capt Smith & Miss Swanton called. Arthur came over & staid.

Oct 7th Cloudy cold & Raining Helping find 2nd **EDWARD** to start for South Australia when he accordingly did with the Horse & Cart he took his pack and leading Tandem harness who bye the bye was never in harness before! However after some trouble we (Mr. B. & Mr. W.) got him along & went with him to the high road when they trotted along readily Handled an axe. Arrived at 6 o'clock.

8th Cloudy with muddling fine Boring Posts in morning Mr. R. Scott the Surveyor called on his way to Lonsdale to survey & preparing to the "Grant" having issued a note for Lonsdale to see Edw. off. John came over to stand.

9 Frost & very fine day Making a Bin in the little cellar to hold a lot of Port & Boring a few Posts.

10 Mild morning & day Caught one Chesnut Tree's two year old foal & lugged her with ^{Boys} She proved most "quadrupolus" at first breaking the fence and running away from Boys & all manner of games however she "like her ancestors" was titted. Arrived

Oct 10th her "Meg Merrilles" The growth of the Cape ^{and} Barley in front of the house is pro-an-gous!!
 11 Fine day Lugging Meg Merrilles with W. Pa. rec'd from Lonsdale expected that Edw. would sail to-day
 12 Very fine day Backed Meg W. loading her up first, she went very quiet. & helping Brown to cart the old cart & of away & soon about it
 13 Sunday Rode out on Meg with Pa. and by Boys But
 14 Warm morning came on a fine warm growing Rain Helping Brown to get up the pavement in front of the old house below preparing to level it & ploughing it up — Exercised Meg Merrilles & made a yoke —
 15 Heavy Rain last night Mild day and very near snow towards eve Helping Brown to cart away the walls of the old house into the holes about Exercised Boy & unladen a note. A deal of the Cape Barley fallen it being so rank especially where the old sheep was —

- 60
Oct 16th Fine day. Mornning with fog with the Trade.
Average depth of water in the Sound 6 ft 3 in.
- 17 Very fine day. Finished mornning with fog
about 3 1/2 p.m. & sent it to St. John's. Arthur
rode over Exercise Regt & turned her out.
- 18 Very beautiful day. Breaking up with the
Bullacks (Casimere driving) the piece of new land
in the N.E. corner of the Full Field. It is very
moist. Brown finished cutting away the walls
of the old Forge & dais. Mr. Gallenby called.
- 19 Fine day with a little wind. Ploughing same as
yest^r. CHESTNUTS fed a Colt.
- 20 SUN. Very windy. Went to Church with the
clergyman Mr. Harris who attended for Mr. Bond.
First not being in time a person much like Sec.
IVth got up and read prayers. Arthur who was
at Ch^h rec^d with us & stood all night. Mr. Lillie
& neices were driven down by Radford who
is back with Mr. L.
- 21 Rather cool morn^g came in a tremendous
hard S.W. wind about 12 & fine afternoon.
Ploughing same as on 18th until wet thro'

- 61
Oct 25th & getting up stones on the headland &
filling up the waste by the old Shed down
below with Casimere. Arthur rec^d to Sen^r.
- 22 Beautiful day. Finished the piece of Plough-
ing began on 16th.
- 23 Rather doubtful morn^g & fine afternoon. Had
the Sheep in^d down off some Sheep of Mr. Lillie
& to dogs. — Rode down to Mr. Lillie's to
look on "The" on leaving Mr. Lillie's I was
no sooner on than off owing to the cutting
the sandbags & the bundle of Boots &
never expecting such ingratitude after feeding
her with Grass &c.
Mr. Lillie & Mr. Radford drove down.
- 24 Fine day. Helping to clear away the rubbish
down down below & grubbed up & Peach tree
the last remains of the old Garden.
- 25 Very beautiful warm day. Putting up a Pair
of Post & Rail by the River in the Sund Pad^g
at the end of the large Do^r to keep the Cattle
out by the way I may as well mention that there is
a constant struggle between me and Henry there
to get in & to keep them out.

- 62
Oct 26 A little Rain in morning & fine day
Cutting & trimming the large Hedge of the
old Garden. Mr. Davidson sent the Plough
to be covered by the stallion. He covered one
- 27 STAY. Beautiful day. We went to Church
- 28 Coolish morning & very windy Ploughing
with the Bullocks. Cuckooes singing in
the rough where the old House & Garden was
very dry & hard.
- 29 Warm day. Ploughing same as yesterday
- 30 Fine warm day. Mending up the Paving
by the Green House & boring a post & putting
up a panel in the Stockyard below
The Highland, called to see me.
- 31 Very fine day. Finished Ploughing the piece
began on 28.

63
1839 NOVEMBER 1st FRIDAY 1839

- Nov 1st Very very Hot. Handled a plane & made
a new top rail for a Cart. Capt. Dixon and
Mr. Ruffin called.
- " 2 Very hot - some Putting up a cartain in the
Green House so hot that the things are all dropping
Rode to Glen.
- 3 STAY. Tiding & thunder in the air & rain like
the prodigal son "a far off". Arthur came over &
staid.
- 4 Very fine day. Telling trees for Post for the new
slack yard Gateways & for a piece of fence on
the "Gard" the square of which Netop & Mills
finished BLISSDENE it was begun on
1837. Arthur ret^d to Lymington. Mr. Elmore drove.
- 5 A very sharp Frost!!! cutting off almost
every thing. Apples Beans (late), Apples Peaches
Plums Gooseberries (quite colden) Potatoes Char-
ries especially. Acorns! Laburnums!! &c
Shocking & dreadful quite a settler.

⁶⁴
Nov 5th A fine day afterwards Sawing up the
trees I fell yesterday, with Wedge into Post
Pa & Sara rode to Capt Antons Arthur
rode over—

6 Every thing hunning up very fast
Rather cloudy but warm & a very little rain
in afternoon Standing up the traps in the hunt-
fence on June Pack with Cashmore & having Post
Harrison & Mrs M^{rs} Bedford called—

7 RAIN in the night & some good Showers all
night day is stormy I & of the men picking out
turnips in the June Pack where they had just
finished winnowing 11 Bags of Wheat with Bar-
ley No 1 weighing 114^{lb}

2115^{lb} Grp June 26th

60 | 207^{lb} with

34 Bush 39^{lb} & put it in the Granary

Nov 8th Fine day Putting up post & rail by the River
in Section Pack with Wedge. M^{rs} & M^{rs} Johnson
& M^{rs} Wood came down to dinner & look at the green
House M^{rs} I. stand all night

9 Beautiful day M^{rs} Johnson came down for M^{rs} I
Arthur rode over with M^{rs} Chas Wedge who is just
come over from Port Fairy Rode to Glen with him

10 Sunday very fine day Arthur rode over & staid
Discovered that all the Cape BARLEY is ending
spoiled by the frost of the 5th and only fit for hay

11 Cold & windy Boring the posts for the Gateways
of the new Stockyard Could & Berley began
to cut the Cape Barley—

66
Nov 12 In Inventory
70 39

Cold cold & miserable very - a southerly wind
and drizzly the most miserable weather I ever
saw

- Nov 13th Very fine day Began to put up the fence of
the N. end of the new Stockyard with Burley
- 14 Fine day Finished the north end of the Stockyard
all but one panel with Burley very heavy rain
in the night
- 15 Very fine day ~~to~~ Morticing posts for the Stock-
yard Burley firing
- 16 Cold & drizzly Began to put up the S end of
the Stockyard with Burley
Capt Briggs & his voices the two Miss Haymons came
& staid also Edw^d Willis & Arthur
- 17 ~~SUN~~ Beautiful day Pa saw the two Miss
Haymons & went in Capt B's carriage to Mr
M'Kensons to hear M^{rs} Willie also Arthur & Edw^d
Willis, J^{rs} Woodrabe ret^d with us to dinner
Ed^d Willis ret^d home W^m drove Capt Briggs to
~~the~~ to Mr Morris place which he is clearing
of buying
- 18 Fine day Roundabout Capt Briggs Pa the Miss
Haymons & Sara went down to Greenbank's

- 68
Nov 19 Very fine day Finished the Sluckyard
fence with Barley Capt Briggs the Miss Hay
& W^m drove to Clon Pa & Sara left for Lann
20 Beautiful day Capt Briggs & the Miss Hay
men left for Hobton Made a stack bottom
with Barley & repairing thimppers
21 Cold & windy & Rain at a distance Arthur
rode over & rode to Clon with him & to see Cesh
more & the Masons who broke down in bringing
one of the Gate Posts (about 2 1/2 tons) by the Inn
from Ross
22 Very fine day began to Cart the Cabs Barley
Hay but was stopped by the Rain which came
down so uncommon heavy that it went right
through the stack Pa & Sa ret^d from Lann
M^r Tell^e called on her way home also from Lann
23 Rode to Clon to order pitch forks &c and down
to M^r McKersays for Books a very fine day
24 SUNDAY Squally & drizzly Quite a high
FLOOD !!!

- 69
Nov 25th Fine day Made a door frame for the house
by the Green House & handled two pitch forks
26th Rather fine day Began to cart the Hay in
the second time
27th Very warm we finished^{ed} Carting the Hay morn
M^r John Wedge and his Sister Miss Jane called &
I & Arthur who (came over) went with them to
the Auctioneer Concert & Ball at Clon let
it suffice that all the world was there
The Wedges ret^d home with us
28th Very fine very much fatigued after the Hay
making & concert Capt M^r & W^m Wood & Miss
Flexman came to dinner & I staid John came
over & staid Arthur ret^d to Lann -
29th Very warm Capt M^r & W^m Wood Miss Flexman &
the Wedges left
30th Fine day Rode to Clon for Letters &c Very heavy
RAIN in the night

70
1839 DECEMBER 1st SUNDAY

- Dec 1st SUNDAY Rather fine day Parade to Church
Arthur rode over
- 2 Heavy RAIN in the night Windy & cool
~~Heavy~~ The River risen into a high Flood
Boring Posts in of morning
- 3 Cool with a little wind A very high FLOOD
I no mistake never saw anything like it at
this time of the year before Hoering Lumber
& Wainwright with Hedge with the Machine,
Goldel thrashed the last of the Wheat
- 4 Fine day Finished mowing the last of the
Wheat with Gould about 34 Bushels the
18 Acres of Wheat have yielded ~~34~~ 37 1/2 Bushels
15 Bushels per Acre -
- 5 Fine day Branded the Lambton's Bk. Cattle
& Hedge
- 6 Very fine morning ^{but rain in evening} Had to pull the Hay Stacks
to pieces the Wet having got in it. had a ~~few~~ one
drill cut out of the middle & made a street of

- Dec 6th if it at one end a sad deal of trouble here
ever Capt & Mrs Smith called
Fine at times but squally showers every now &
then However we managed to get the Hay stacked
dried & the Stacks topped up M Johnson called to
borrow a Gig.
- 7 Now I think I've done very well to write off from mem-
ory from Nov 8th and am quite tired it's just
midnight! - So good night & all well
- 8 SUNDAY A little rain in the night Beautiful
morn^g & very heavy RAIN in afternoon so heavy
Sara & Pa went to Church were obliged to stand ⁱⁿ along
with the rest of the congregation an hour after Ser-
vice & Sara staid all night at M Johnsons
Arthur rode over & staid M Johnson called
- 9 Rather chilly morn^g Drove to Glen to fetch
Sara from M Johnsons Arthur ret^d to Lewis
- 10 Heavy Shower in afternoon
- 10 Fine day Drying the Top of the Stacks which
were wet again! Quite a FST & S again!
- 11 Very fine day Gould & Brown thatched
two of the Hay Stacks

Poland off West
He has been here since
April 1837. They the
Johnson got the head of
Sara

- ¹²
Nov 11 ^{cont'd} Sharrow & Anxley & brought 300 Wethers at 29 per Head & 20 Lambs at 12/- & took 150 Wethers & 12 Lambs away. Taking Hay Mr Woodratt called.
- 12 Fine day. Taking up the Hay in Junco Field. Mr Tell drove down.
- 13 Very cold morn'g & eve but fine in the middle. Trying to make Kitty & Rosa go in the Carriage but it was no go.
- 14 Very warm. Helping carting the Hay out of Junco Field.
- 15 SUNDAY Beautiful warm day. Arthur rode over. Pa rode to church.
- 16 Fine hot day. Taking making & cooking Hay.
- 17 Dull & came on a very heavy RAIN about 11 of & on all the afternoon. Began to cart Hay but stops by the Rain.
- 18 Fine but squally clouds about. Had the Hens in & dressed them. 45 dwt. Turned Hay over.
- 19 Beautiful day. Finished carting the Hay & the third stack. Wm Wood & Dr Hancock called. Pa & Wm went to an examination of Mr Sarge's Cattle.

- ¹³

Dec 26 Beautiful day Visiting Posts for the Land
Arthur rode over.

• 27 Very fine day Saw the Rams in for M Bedford
to look at (who came down) Trade with him to the
saw. J. Bayles had Meg to front, shoes put on
for the first time M Tell twice drove down
M J. Buckeney called.

28 Very warm M Harrison & M Bedford came over to
look at the rams but they did not suit.

29 SDA Very warm Pa drove Sara to M Tell's on the
road over.

30 Very very hot Riding round to collect the sheep
together had them in & drove off the weathers & put
the rest in the Stone wall pen to go over to Lewis
tomorrow.

31 Dreadfully hot Started at Sunrise with the Sheep
(2384 ewes & lambs) with Bob & Burley for Lewis
to be washed went round by Glen in account
of the River being up. On at the back of Lewis
Such a dreadfully hot so hot & dusty. Causing
to overtake M Sanders with 1558 Sheep for Lewis
drove by Glen with them as we came

1840

JANUARY 1st WEDNESDAY

Jan¹ 1st Terribly hot !!! Out looking for thatch grass & Manna eating.
M^{rs} Kersey called. 2nd Very hot out & about

2 Very very hot Made a shed against the wall by the Green
house door for the Bees. The gardener ret^d from Capt Woods
with a hive but being rather cheek they all flew out & are
half in & half in a cluster on the grass !!!

4 Warm but cloudy with a slight drop of rain. Reaping a few
sheaves of Cape Barley (seed crop) & drove to M^{rs} Jellicoe's in
Carriage home but she would not let her see home I came
Arthur came over & said th^{at} night

5 SUNDAY

- Jan¹ 6 Rather windy Gould Cashmore & Brown began to mow the Oats
on the flat a deal of straw Rain in eve^{ing}
- 7 Misty Making a drain with Kedge from the Buttery to the Well
- 8 Fine Binding up & shocking Oats The men mowing away
- 9 Very warm Had the Sheep in for Huxly who took away the re-
mains 140 Wethers & 10 ewes & shocking Oats
- 10 Very fine Shocking Oats Gould Cashmore & Brown began to
reap the Wheat in the Valley Pad^d a rattling crop Binding up
loats
- 11 Fine Cutting Rushes for thatch with Kedge
- 12 SUNDAY Rain in the night & morning

- 13
- 14 Very warm Mowing in the morn^g with Kedge Miss E. Yeara &
M^{rs} Meeds governess came down to dinner M^{rs} Woolrabe also
walked down
- 15 Very warm but very heavy dew Had a Mover from the Gang
"Wise" Shocking Oats &c Pulling the but & Reel at
the three stable down with Kedge & the gardener
- 16 Very warm About Arthur came over M^{rs} Jellicoe &
Miss L Radford drove M^{rs} Oakden also called
- 17 Very warm Had the Sheep in to count Had another
nap & binder from G. Long Gould Cashmore & Brown
- 18 Brought in the piece of soft sown oats on the flat
very much. Made a M^{rs} Kersey for books

- 18 *Shocking Windy very*
 Jan 19 **SUNDAY** Drove Sarah's Church & down to Mrs. Jells to
 Mr. & Mrs. Dunn & Family & Mr. Johnson were there
 20 Very windy dreadful dusty Mr. & Mrs. Dunn Mr. Jells &
 neices drove down to lunch & Mr. James
 Thornloe a comical one Had the Sheep in
 21 to count and a Reaper & Binder from the
 Gang I Bowkitt & — Goldsmith
 22 Rattier windy Shocking Oats
 23 Very fine Shocking Oats Bowkitt got his
 ticket of Leave
 24 very warm Shocking Oats & Bowkitt rec'd
 very warm Bowkitt & Wise began to reap the Wheat
 at the back of the Mens hut Began to cart the
 Oats out of the June Pad with Burley & the Gar-
 der into the Short end of the Barn
 25 Very warm Carting Oats both Barly & the same
 26 **SUNDAY** Very warm Balled for first time with
 Arthur who came over
 Began (16th May) to write up my arrears a
 hopeless task! Uncommon ill with
 the **HOOPING COUGH**! — very — Felt
 — up & Choking & Coughing Sarah also
 ill — very

- 19
 April 20 **March** Sowed 7 Acres in June Pad
 on the fallowed piece with Oats
 do 21 4 Acre Sowed 12 of the waste field with
 Bride Burying where the old house was of 1800
 & 1 sowed the other half had it ploughed
 22 11th Gouda sowed 6 Acres of the Brown
 Fall Pad with Wheat
 24 Gouda sowed the rest 6 Acres of the
 aforesaid Pad with Wheat — Had the part
 of it formerly forming part of the old Valley
 pad & top dressed with dung Uncommon
 dry Shocking can't dig it scarcely
 Fencing in with Rodger a pond just within
 the Garden which the Gouda dug and
 clayed —
 May 3 Put up a Shaffer & a Car to fattening a
 place I made in the corner of the yard &
 hung a Gate (finished yet) in the back
 way of the back stable door
 Very fine day but the weather so dry
 that very little of the wheat will come in
 at all
